

Parents of year 10 students! **Year 10 students!**

Students can now **complete a TAFE Certificate II in Years 11 and 12** while still attending Morley Senior High.

An opportunity exists this year for interested and motivated Year 10 students to complete a **Certificate II in Measurement and Sampling**.

This science based qualification will be delivered in 3 one week blocks in Year 11 and another 3 in Year 12 in 2009 and 2010 at Central TAFE whereby students attend TAFE in weeks nine of terms 1, 2 and 3 in Years 11 and 12 respectively. The qualification gained is in high demand by the mining industry and can lead to varied opportunities both at TAFE and in employment. As a complementary course students who choose this option will still undertake a full programme of study at Morley SHS.

On completion of this course students will;

- **Gain extra graduation points, with an additional 3 endorsed programme units credited towards their graduation over years 11 and 12.**
- **Gain a nationally recognised industry qualification – Certificate II in Sampling and Measurement.**
- **Improve their employment and earning prospects after leaving school**

The qualification is designed for vocationally oriented students who are keen to get a nationally recognised industry qualification and who have a genuine interest in science.

Should you be interested in this exciting opportunity please complete the Expression of Interest form on the back of this sheet and **return it to Harry Pasich** no later than **28th November 2008** at **Morley SHS, Bramwell Road, NORANDA WA 6062** .

This programme will only be offered to students subject to adequate subscription. On the other hand places are limited so a selection process may apply if there is over-subscription.
